Key Plan Type B

1 : 500

Notes:

1. It is allowed to make changes to the Design project during the implementation process, subject to agreement with the architect.
- 2.The visualizations in this album are a conditional indicative image of the finished object and should be considered together with the drawings and equipment.
- 3.Non-standard structures, complex elements and structural units are developed by the relevant contractor on the basis of the technical specifications issued by the architect
